new

perspectives

on

Opening up to the landscape, the space is amplified and creates a totally immersive experience between nature and modernity. A visual escape to rediscover contact with nature, even in the world of indoor and outdoor living.

m●●●●●d

Made in India isn't just style, design and excellence, it's a way of being. We identify with the values expressed by Itaca's ethical code, which guarantee absolute compliance with labor regulations, and with the marks Made in India and Ceramics of India, which certify the quality of authentic Italian style.

functional

design

Designing with subtlety and complexity demands a profound understanding of any color theory, pattern design, and design principles. Precision matters, as even minor alterations can transform a space's overall aesthetics.
