MEDEF
LET'S PLAY WITH CLAY

Innovating..!
Designing..!
Servicing..!

MEDEF is consistent with its vision and values, the group strives to strengthen its existence in the business with successful verticals. Having world-class pieces of machinery such as

- SOMC THROW WHEEL,
- CASTING MACHINE,
- WOODFIRE KILN,
- GAS FIRE KILN,
- COAL FIRE KILN
- CLAY-MAKING MACHINE.

At MEDEF; quality is a state of mind, as we aspire to become a market leader and one stop solution for ceramic designer ware. By nurturing, supporting, and developing the customers; we aspire to be the designer ceramic ware industry benchmark for value creation and creativity. MEDEF promotes an atmosphere of forthright and honest communication as a working culture for our corporation, following through on commitments, saying what we will do, and doing what we say! The Geneses of the group is to value the reputation as a good business partner and a great place to work, knowing that integrity keeps our team strong and sound. These principles translate into a world-class designer product range that is impossible to emulate. Our deep set of dedication and customer-centric commitment model defines how we do engross you. Offering specialized products and outstanding services that meet your distinct needs..!

MEDEF

LET'S PLAY WITH CLAY

OUR JOURNEY

At MEDEF, we are innovatively the best when our clients are happiest. The ceramic industry has changed drastically in the last few years with path-breaking innovations and MEDEF is constantly walking on the success path by reaching new heights and achieving new goals with its fabulous designer ceramic ware range. MEDEF was conceived to remain consistently in pursuit of providing low-carbon high-quality enterprise-giving customized ceramic solutions. For the last 20 years Quality, Character, Class, and Style are at the center stage for the customers' quest to make their space elegant by fostering the culture of impeccable learning with industrial advances, by gaining the conviction of esteem customers we are spreading boundaries and conquering new horizons with innovative designer products since two decades. Our ability to develop new solutions in the sector has provided a big fillip to expanding the scope of our enterprise that has led us to exceptional growth. "Staying equipped with cutting-edge technology is guaranteed for growth" keeping this founding mantra of MEDEF at heart, with a will to win, a desire to succeed, and an urge to reach our full potential, we are unlocking the doors for organizational excellence. For MEDEF..! growth is never achieved by chance, but always is a result of forces working together...
